PRESIDENT'S MESSAGE

It's convention time again! Plan now to attend the Central States Numismatic Society Convention in Detroit, April 29-30 and May 1. Our host, the Detroit Coin Club, has spared no effort to make this convention a huge success. I have personally visited with them, discussed their plans, observed the hotel accommodations and I am enthusiastic. The hotel is according us special rates.

One of the pleasures of numismatics is the meeting again with fellow numismatists at our conventions. This is a marvelous opportunity to renew old acquaintances and to meet new enthusiasts in numismatics. We must encourage new collectors, as the future numismatists to carry on our plans and programs.

The convention has allowed ample space for numismatic exhibits, and the eighty-plus dealers should have a wealth of interesting material to choose from. Plan to come early and stay late and do have a good time!

Attention is invited to the proposed amendment to our bylaws (Article III, Section 1). While it was originally planned and hoped that there would be only one board member from a single state, it is now recognized that some states have more than one large population center, and it may be unfair to deprive them of representation on our Board of Governors. It is also recognized that some states do not have a large representation among the Central States membership, and it might also be considered unfair to deprive them of board representation.

It is therefore proposed that the total number of Board members remain

at thirteen (number of states in Central States) but that no more than two come from one state, each to represent a different population area or to be elected "at large" to represent an inactive state, or states. This may be a means of honoring or rewarding active members who otherwise might be deprived of a Board membership because someone who is quite active is already on the Board from the same state.

—HARRY X BOOSEL, CSNS President

PROPOSED CHANGE TO THE BYLAWS

Article III, Section 1 of the bylaws, last sentence now reads: "No two governors shall be elected from any one State."

Proposed: No more than two governors may be elected from any one state, each to represent a different population area in the state or to be elected "at large" to represent a state or states not otherwise having a Board member.

MESSAGE FROM YOUR SECRETARY

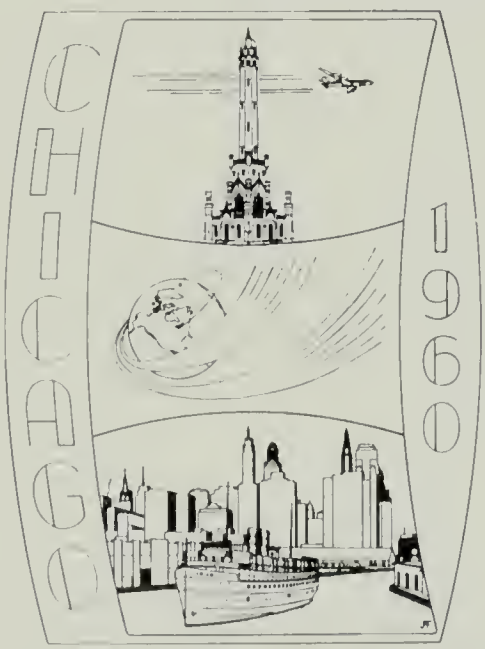
Our "growing pains" this year have been continuous. We will close the year with the largest membership CSNS has ever been privileged to report.

Members this year have been on a moving "spee." I cannot keep up with "you all." I have just finished tracking down the correct addresses for the returned issues of the October, 1959 **CENTINEL**. It took the help of the ANA, **Scrapbook, News,** Governors and the FBI to close the gap. When, confound it all, you move, dear member you could drop me, your poor Secretary, a card of notification. I know "that is what the Secretary is for"—or is it? Sure, there will be some more returned from this mailing. If you have bought a travel trailer and are on the move let me know. If I can't go with you, maybe I can catch you at the gas station or at some water hole.

See you in Detroit.

—DR. F. S. EPPS, CSNS Secretary

CHICAGO'S 500th MEETING MEDAL



In celebration of its five-hundredth meeting, September, 1960, the **Chicago Coin Club** has authorized the striking of a memorial medal of barrel contour

design, 72 x 52 mm. size, according to President Glenn B. Smedley. This unusual design was prepared by James F. Friberg, local architectural designer and club member. The obverse center shows the world expanding comet-like lines originating at Chicago; with vertical reading CHICAGO on the left and 1960 on the right, all struck incuse. The top panel is the ornate 1869 erected water tower and the bottom panel shows the building skyline looking down the Chicago River from the lake's edge. The 707-jet airliner projects the future and is cameo struck along with the two panels. The reverse shows the figures of the occasion and the Chicago Coin Club corporate seal with its Latin inscription **Docendo Discimus** (We learn by teaching). Subscription sale of the medal is offered until July 30, 1960: Bronze $4.00; sterling silver $8.00; and 18K gold at cost. Please send orders and payment to M. Vernon Sheldon, Chm., 451 Wrightwood Ave., Chicago 14, Ill. (After July 30, prices advance 25%.)

EIGHTEENTH ANNUAL CENTRAL STATES CONVENTION

The 1960 Central States convention to be held on April 29, 30 and May 1 will be one of the best attended and most enjoyable numismatic events of the current year. Frequent committee meetings under the leadership of General Chairman Paul F. Schilling have been characterized by advanced and experienced planning, novel ideas and hard work in general, giving every assurance of a smooth functioning and successful convention.

In applying for Sheraton-Cadillac hotel reservations, the Central States convention should be mentioned to obtain special rates. All confirmed reservations will be honored.

Your host, the Detroit Coin Club, has established a reduced registration fee of $1.50.

Ben Stocker, Bourse Chairman, reports that tables have been reserved by 82 dealers from all parts of the United States and from Canada. A three-session auction will be conducted by French's at which over 400 lots of gold pieces, 100 lots of rare currency and numerous other items will be offered. The convention will afford an opportunity for numismatists to acquire outstanding rarities as well as items which are of interest to all collectors.

Exhibit applications must be submitted to Exhibits Chairman, Henry R. Burns, 15486 Auburn, Detroit 23, Mich., not less than 5 days prior to the start of the Convention. To be eligible for an award, an exhibit must be placed not later than 2 p.m., April 29, and must remain on display until 4 p.m., on May 1st. Exhibitors in competition must be members of the Central States Numismatic Society. A very beautiful best-in-the-show trophy and 8 attractive large first place trophies will be awarded along with ribbons for second and third places and honorable mention. Awards will be made in the following classifications: (1) United States Coins; (2) United States Paper Money; (3) Ancient Coins (prior to 1500 A.D.); (4) Foreign Coins (1500 A.D. and after); (5) Foreign Paper Money; (6) Miscellaneous, Odd and Curious, Mint Errors; (7) Gold Coins; and (8) Junior Exhibits (for exhibitors under 18 years of age).

An incidental added attraction will be the opportunity to visit one of the country's largest and finest numismatic collections at the Money Museum in the new main office building of National Bank of Detroit, which is within a short walking distance of the Sheraton-Cadillac Hotel.

The ladies' activities include a visit to the Money Museum where the ladies will be greeted by the Director, Rear Admiral Oscar H. Dodson. Bingo games with very desirable prizes and refreshments are scheduled, as well as a luncheon in the private dining room of the J. L. Hudson Company where favors and door prizes will be given.

The banquet to be held in the hotel's beautiful Book Casino Room will provide a menu which will please everyone. There is also an enjoyable program, including entertainment, door prizes, mementos for the ladies and the announcement of exhibit awards.

Additional information may be obtained from Paul F. Schilling, General Chairman, 17304 Lahser Road, Detroit 19, Michigan.

BUSY MEN

One of the hardest working Central Staters is Paul E. Olson, 2538 Taylor St., NE, Minneapolis 18, Minn., CSNS Governor and General Chairman of next year's CSNS convention scheduled for April 28, 29, 30, 1961 in Minneapolis. The Nicollet Hotel will be the scene and the Northwest Coin Club, the host. Co-Chairmen are Arnold Holmberg and Albert R. Koza, both of Minneapolis. [Governor Olson was leading in this year's membership sweepstakes at last count, although no race is ever won until the deadline has passed.]

DICK JOHNSON EDITS NEW COIN WEEKLY

D. Wayne Johnson, former CSNS Governor and long an active promoter of things numismatic, and Shirley his bride of four months, are editing a new weekly coin paper and ad medium in Sidney, Ohio. Christened **Coin World** and expected off the press April 21, it is published by the Sidney Printing and Publishing Co., Sidney, Ohio. This firm produces a daily newspaper, several weeklies and the largest stamp paper, **Linn's Weekly Stamp News.** Advance copies seen are handsomely arranged and incorporate several novel ideas. We wish the new venture every success and trust it will achieve reliability in both news and advertisements, qualities lacking in many of the fly-by-nights now circulating.

CONGRATULATIONS TO THE HEWITTS

The January 20, 1960 issue of **The Numismatic Scrapbook** marked the silver anniversary of the periodical started by the Hewitt Brothers in January, 1935. The 1960 number was made up of 288 pages and reached some 25,000 readers; in contrast, the Volume I, Number 1, was of a modest eight pages and had a circulation of 200. And so: Heartiest congratulations to the Hewitts, their **Scrapbook,** and every good wish for many, many, more years of forthright and honest presentation of coin collecting, numismatic news and advertisements.

As of March 8, 1960, CSNS membership stood at: Regular Members, 388; Life Members, 87; Total, 475.

CSNS MEDALS OF MERIT

At the Kansas City convention last year, CSNS scored a first by presenting citations detailing the "why" of the merit awards along with the medals. Although this year's selections, if any, have not been revealed, it is expected

the practice will be continued. Other numismatic groups are welcome to the idea!

YES, MINT EMPLOYES BATHE

Employes of the U.S. mints who work on gold, particularly in the summer time, are required to take a bath and run the bath water through sumps. Enough gold, which sinks to the bottom of the sumps, is recovered to make the operation worth while. Also, when gold is being melted, the fumes are passed through a chamber where there are electrified rods. The dust clings to the rods and quite a bit of metal is recovered.

PROPOSE THIRTY-FIVE CENT COIN

Because school lunches seemed to run around 35c each, an Ohio group suggested that a 35c coin would be useful. The thought did not get off the ground, however, as it was killed off by Senator Lausche.
